Virtual Art Experience

Meagan from the Wellington Art Gallery is going to facilitate an Art Lesson via Webex. Meagan will deliver the lesson live, so all students will have to do is link in to Webex at the right time. Children on-site will get this opportunity on Tuesday, 8th Sept at 1.30.

Children learning from home are scheduled for Wednesday 9th Sept. at 1.30.

Materials required: paper, black, white and blue oil pastels and glue. If you don't have oil pastels, pencils will do.

Meeting Number is 1652014354.

Remote Learning #2

To all parents and carers,

Google Classrooms and Gmail

Hopefully, by now, all students are checking their Gmail accounts and Google Classrooms daily.

Please ensure students work on only the work set for the day. Don't forget to check the MARC classroom for Miss Carter's weekly book reading. In each of the Teacher's classrooms, are some virtual tours around our Zoos, as well as some optional activities for kids to do if they finish set tasks.

For best learning outcomes at Home, make sure your children have a consistent routine, a good space to learn in, have lots of breaks so they can stretch their legs and rest their brain. All literacy and math requirements should be done by lunch time. The afternoons can be spent outside, or doing some of the optional activities.

Bookclub magazine

Bookclub magazine will be sent home in this week's Learning Packs. Orders due back at school by Mon. 7th unless you choose to do your own on line.

- *Keep Reading aloud to someone daily*
- *Keep reading to yourself at home building on your stamina.*
- *Keep sharing what you read with others.*
- *Keep listening to stories from others.*
